DOMINICKS INFORMATION TECHNOLOGY STAFF DELIVERS 75 BICYCLES FOR CHICAGO-AREA CHILDREN

Will make the season brighter for several Chicago kids

Dec. 16, 2010 – (Chicago) – Members of Dominick’s Information Technology (IT) department today delivered 75 bikes and parts to the Metropolitan Division of the Salvation Army, after soliciting donations in Chicago-area Dominick’s grocery stores since November.

Many of the donated bikes had to be reconditioned, which was done by the IT employees, who delivered the bikes in a Dominick’s truck, and unloaded them at the Metropolitan Division of the Salvation Army, 5040 N. Pulaski Road.

Maj. Greg Thompson, general secretary of the division, accepted the bikes and thanked the Dominick’s IT staff for their efforts.

This was the first year for the Dominick’s IT staff bike drive, and they plan to make it an annual event.

The Salvation Army Metropolitan Division serves people in need in Greater Chicago, northern Illinois and northwestern Indiana. Among the assistance provided are youth programs; early childhood development services; feeding programs for homeless adults, children and seniors; emergency lodging for families and individuals in crisis; disaster relief; senior housing; spiritual counseling and substance abuse rehabilitation programs.
